Foundational principles—Totem teaching

- Stories are sacred
- Don't use stories without permission
- Local is best
- Stories directly from source
- Think “copyright” of written and oral sources
- You are teaching/working with FNIM peoples not about them
- Not a “past” history but a present reality

Resources for Reconciliation

“Education is the new Buffalo”

- People are the best resource (learn how to approach FNIM people and Nations)
- Local connections are the best in the classroom (Nation to Nation)
- Valuing the Indigenous worldview, education is the core of Indigenous thinking and life. It is integrated into everything. Life is education

“Education got us into this mess, and education will get us out.”

Hon. Murray Sinclair
