

# SDACC Office of Education Poster Series

## See yourself here

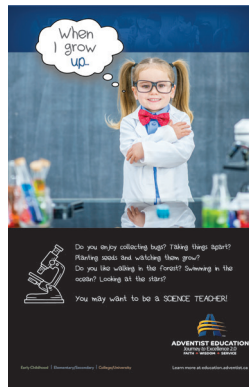

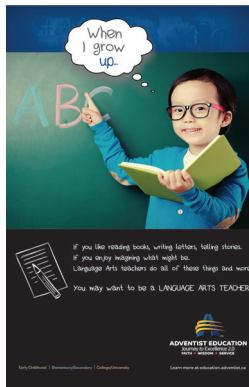

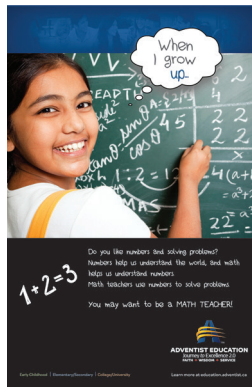

*Aimed at high school students, these posters are designed to encourage them to consider a career in teaching.*

## When I grow up...

*Aimed at elementary school students, these posters are designed to inspire younger students to start thinking about a career in teaching.*

## 10 Reasons to become a teacher

## Here I go again...

*Aimed at adults who may wish to consider a career change, these posters are designed to encourage them to seriously consider teaching as a second career.*

*If you are interested in putting these posters up in your church or school to encourage individuals to choose a career in teaching, contact Brandy Perkins at [perkins.brandy@adventist.ca](mailto:perkins.brandy@adventist.ca)*
